HOW CONSIGNING WORKS:

Weekday Consignors

- We accept 12 items per consignment session. Registration fee is waived this year, but you must register.
- Please pre-screen your items for stains, holes, pilling, bad fasteners, pet hair and/or odors/wrinkles
- Tags must be pinned on each garment's label with the owner's name, registration number, description, size, general original cost, and gender specification
- We will review the items while you wait and return those that we cannot accept
- You will earn 50% of the selling price if the item is sold within the up-to four week selling period
- You may pick up your unsold items by the specified Return to Owner date
- Unsold items that are not returned to owner by the specified date become store property
- Items may be re-consigned ONE time but must be removed from the shop for at least a two week period before they are brought back for re-consignment with the original WSL tag attached
- We price items on their preowned market values, not on the original prices when new
- You may specify a price by adding OP to the tag next to the price you request
- Articles are consigned at the owner's risk. The Consignment Shop is not responsible for damage or loss by fire, theft, or vandalism. We carry no insurance covering loss to you. If you cannot find an article on the selling floor, a lost claim card may be filled out
- Please call the shop on Monday afternoon to find out what items will not be accepted for the week
- We reserve the right to close due to inclement weather. If in doubt, please call or visit our Facebook page.
